0845 Inbound Call Charges

Further to the ongoing Ofcom consultation relating to 0845 and 0870 numbers and the interconnect price increases announced by BT Telecommunications Plc on the 1st November 2009, charges to inbound 0845 numbers have been increased.

Having analysed the impact of these changes with effect from 18th December 2009 the cost of inbound calls received from 0845 numbers will increase by 0.5ppm, in line with the underlying carrier increases.

This increase will affect all customers using 0845 inbound numbers.
